To Whom it May Concern,

I am pleased to write this letter of recommendation for Mr. Valerio Oss, a truly fine visual effects artist. I have had the honor of having Mr. Oss in several of my classes and have witnessed his technical skill and artistic expression up close on many occasions. He has demonstrated both a strong command of the technical aspects of our craft as well as an excellent artistic eye which he combines masterfully to create powerful and effective visual effects shots.

His scope of knowledge of the many aspects of visual effects is truly impressive and he would be a fine addition to any visual effects team as well as an ideal choice as a team leader and visual effects supervisor. It has been my pleasure to know Mr. Oss for three years now and I know him to be a hard working team player with a superb work ethic and excellent integrity. Any visual effects project lucky enough to have his touch would be doubly blessed.

Kindest regards,

A handwritten signature in black ink that reads "Steve Wright".
